Step 1

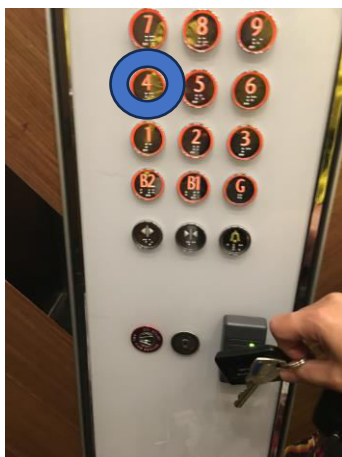

Collect the keys that look like this

The remote will act as your 'swipe' card for every reader you see and the buttons on the remote will control the car parking garage. And the key with blue on it, is for the front door

Step 2

If you don't require parking please proceed through the north tower doors (tower on the right) proceed through the foyers to the elevators. Swipe the remote as shown below and select level 4

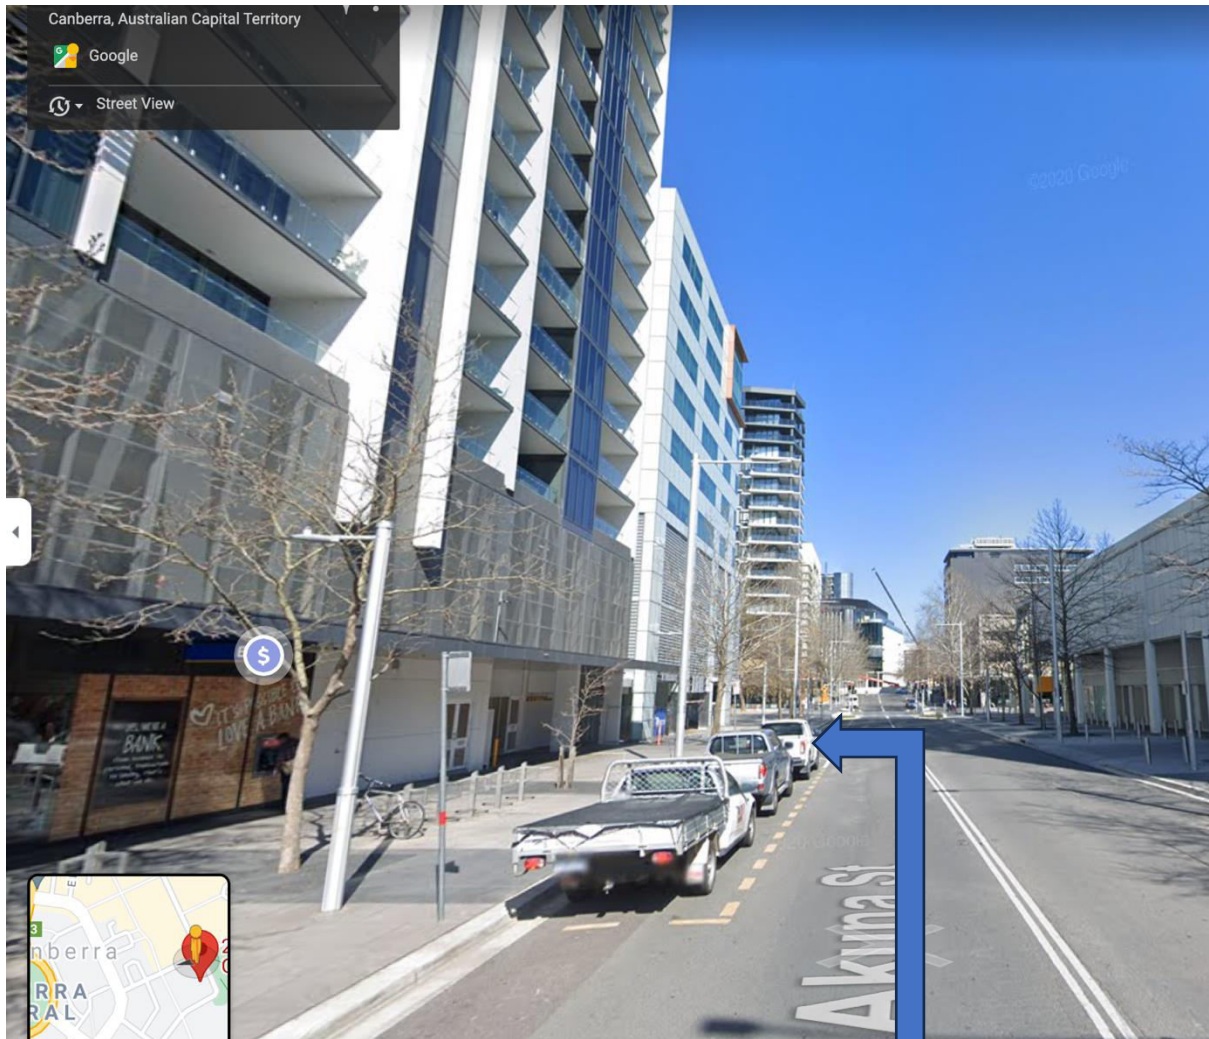

The apartment number is '404'

If you require parking please scroll down

CAR PARKING INSTRUCTIONS

STEP 1: If you require a secure car space you will have to enter the car park on **20 Akuna street** (the carpark is located on the left hand side) and the garage door looks like this

Use the button on the key of the remote to open the door.

Step 2

You will have to go up the first ramp take the first left turn (past the lifts) and go up the second ramp Off the second ramp turn left and go straight, then take a left and then a second left and you will see space number '404' (it is a disabled spot)

Below is the allocated car space for you

Step 6

Your car is parked on **Level 2** Once you have parked the car, use the same remote to go to level 4 (apartment location).
